

October Nursery News

A look back at September...

The children are adjusting well to new school rules, routines and friends.

We are already busy learning...

- We have learned the sound that the emergency bell makes and how to exit the school safely.
- At school we share, but we don't share our snacks.
- We need to use our words with friends, no pushing or throwing toys.
- The cupboards are for teachers.
- Only teachers or adults open the doors to the outside of school.

We are having fun and learning too!

During the month of October

We will learn new songs, enjoy a fall sensory table and explore with pumpkins, apples and other wonderful items found during the fall season. The children have already started talking about Halloween and their costumes. It's almost as exciting as Christmas!

Reminder:

We are a
Nut Free School
Please read ALL
labels carefully!

Our Biggest Fundraiser

Our online e flea auction, coming in November, is the nursery school's biggest fundraiser.

We will be accepting items and donations beginning Monday October 2nd.

Do you have a friend or family member who runs a home-based business or works somewhere that can offer a product or service? We would love to keep adding to our list of auction items.

The auction is a great way to do some Christmas shopping in your P.J'S!!

Help Spread the Word!

We still have spaces available

in our Sr. Preschool Classes and Tuesday Afternoon Adventure Day class. Please let family and friends know it's not too late to register for this school year.

Note Tote

You have probably noticed a medium sized Zip Lock bag in your child's snack bag, this is going to be a way for us to communicate from school to home and home to school. Please make sure to keep the Note Tote in your child's snack bag.

Halloween Celebration

On Monday October 30 and Tuesday October 31, we will have a Halloween Celebration.

Please send your child's costume in LABELED a bag (if they wish to wear one). Teachers will help the children in to their costumes after snack time. Feel free to come back 10 minutes before the end of class for photo opportunities of your "little monster" and his/her friends.

In Keeping with our Allergy/Anaphylaxis Policy, we would ask that parents do not send in food treats to share that day.

Sick Child?

Many thanks to all the parents who have kept sick children at home, and called in to let us know their symptoms; please continue to keep us informed. When 15% of a class has the same symptoms, we are required to report to the Health Department.

Late Policy

Pick up time is 11:30Am Morning Classes and 3:30Pm Afternoon Classes

It is very important for students and staff that all children are picked up on time. As outlined in our Parent Information Manual. There is a late fee of \$15 for every 5 minutes you are late for pick up.

Circle Time Fun

Five little Pumpkins sitting on the gate.
The first one said, oh my it's getting late
The second one said, there are
witches in the air.

The third one said, but we don't care
The fourth one said, let's run and run and run.

The fifth one said, It's Halloween Fun!

"Whooooo" went the wind and out
went the lights, and the five little pumpkins rolled
out of site!

School Swag

Watch your mailboxes for our school clothing sale in October. We will be offering t-shirts, sweatshirts, long sleeve shirts and winter hats.

A great way to support the school and have comfortable clothing to wear to school

Cooler Weather

As the chilly weather begins to descend upon us, please remember to send your child(ren) to school with appropriate clothing for the weather.

Weather permitting we will spend the first 15-20 minutes of class outside.

Lovable Labels

20% of your purchase will support our Nursery School
To place your online order go to:

manotickcns.lovablelabels.ca

Let friends, co-workers and family know about our link!

Thank you to everyone that placed a September Scholastic order!

Every time an order is placed we receive bonus coupons to order new books for the Nursery School.

Scholastic has made it even easier to order, now you can use a credit card and pay online!

Reminder to Label

As per Ministry of Education regulations and requirements every child MUST have his/her snack bag, ALL containers and water bottle LABELED with his/her name. Any containers that are not labeled will be labeled by the teachers with permanent marker.

It is **extremely helpful** for the teachers if all children's shoes, boots, backpack extra clothes and all outdoor clothing are **labeled**.
Please take a moment to be sure all items are labeled.

Preschoolers and toddlers often don't recognize their own belongings, making it very tricky to make sure items don't get lost or mixed up.

Our Class Pet Has a Name!

The children all voted and the name that had the most votes was **Bubbles**.

You can look at our chart in the cubby area to see how your child voted.

Circle Time Fun

I had a little turtle,
his name was Tiny Tim,
I put him in the bathtub,
to see if he could swim.

He drank up all the water,
he ate up all the soap
now he's sick in bed,
with a bubble in his throat!

Bubble, Bubble, POP!!!

Our Nursery School Play Dough Recipe

You will need:

2 cups all purpose flour

2 1/2 tablespoons vegetable oil

1/2 cup salt

2 tablespoons cream of tartar (very important ingredient)

Up to 1.5 cups boiling water (adding in increments until it feels just right)

food colouring (optional)

Method:

Mix the flour, salt, cream of tartar and oil in a large mixing bowl

Add food colouring TO the boiling water then into the dry ingredients

Stir continuously until it becomes a sticky, combined dough

Allow it to cool down then take it out of the bowl and knead it vigorously for a couple of minutes until all of the stickiness has gone.

* This is the most important part of the process, so keep at it until it's the perfect consistency!*

(If it remains a little sticky then add a touch more flour until just right)
