

Manotick Co-operative Nursery School

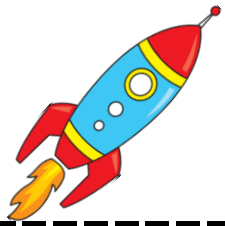

Nursery News

March 2017

The Nursery School is excited to start our new adventure!
We will be moving to our new temporary location at the end of the month,
first day of classes will begin on Monday April 3

Rideauview Community Centre
4310 Shoreline Drive in Riverside South

Parent Survey

Our parent survey will be available soon!
Please help us out by taking a few minutes to fill out our online parent survey. The information collected in the surveys to help make our school the best it can be!

Registration for 2017-2018

Nursery School registration for the 2017-2018 school is almost here!!

Please let friends and family know to watch for more details and important information coming soon. There will be an early registration date for any family currently registered in the school looking to register again for next year.

Astronaut Training Day

On Thursday March 30 and Friday March 31 we will celebrate the end of the month and our space theme with an "outta this world" fun filled day.

Our "astronauts" will play fun space games, pretend to walk on the moon, make and eat a yummy fruit rocket kabob, play with galaxy dough and complete their astronaut training.

March Break

The Nursery School will be closed from Monday March 13 - Friday March 17 for March break. Regular classes will resume on Monday March 20th

THURSDAY MARCH 9th

SAY CHEESE!

School Closure Policy

If the school buses are not running in Manotick our school will be closed for the day. You will be receiving an email before 7:30 on the day of a closure to confirm. As well, the answering machine (692-2188) will have a message to this effect as of 7:00 a.m.

Scholastic

Orders are due
Friday March 24, 2017

Injured and Ill Children

A reminder that when your child is experiencing a fever, vomiting or diarrhea - they need to be excluded from school until they are symptom and medication free for 24 consecutive hours since the last occurrence.

We need to be vigilant about this Ottawa Public Health regulation / directive, as we are trying to curb any possible outbreak within the school.

If your child is experiencing any of these symptoms, please let us know when you call in to advise us of your child's absence.

*Please notify staff at drop off if there has been any changes to your child's health. Example serious bumps to the head, asthma attacks, changes in skin conditions, etc.. It is important so we can be aware of any changes to your child's condition during their time at school.

A Friendly Reminder

Please make sure you are picking your child up on time.
It is very important for students and staff that all children are picked up on time.

Late Policy

Pick up time are.. Morning Classes- 11:30Am

Afternoon Classes- 3:30Pm

There is a late fee of \$15 for every 5 minutes you are late for pick up.

Learning at Home

At home, never do for your child what they can do for themselves – it shows that you believe in them! While your child may not be able to totally dress himself/herself (for the day, or for outdoors), if you break the task into small steps, he/she can master one step and then move on to the next one. We are working really hard on independence skills at school and encourage each child to do things their way for example looping backpack over their arm if they can't get it on their back.

Circle Time Fun

Four little stars
winking at me.
One shot off,
then there were three!

Three little stars
With nothing to do.
One shot off,
Then there were two!

Two little stars
Afraid of the sun.
One shot off,
Then there was one!

One little star
Alone is no fun.
It shot off,
then there was none!

Communication Between Teachers and Parents

The staff at Nursery School would like to remind parents of the importance of confidentiality between parents, children and staff. If you have any questions or feedback about your child development or our preschool program please contact us directly at the school so we can make sure we set aside an appropriate time to discuss matters.

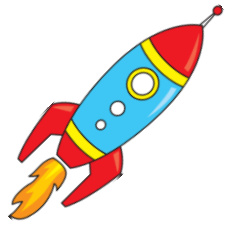

Outdoor Play Reminder

We go outside when the weather is warmer than -20 °C. Please dress your child each day assuming that we will play outside for 15+ minutes.

If your child is too sick to play outside, please do not bring him/her to school. We are obliged to maintain the same adult/child ratio outdoors as well as indoors and can't

spare a teacher to stay inside with an ill child.
